NOTES

-Current manning at 99%.
-For those negotiating orders, don't forget that the new EW/TGU billets are standing up. Also, many opportunities exist in SPECWAR. Challenge yourself!
-Don't give up! Whether you are trying to advance or obtain a PTS quota - do everything in your power to excel and you will be rewarded. Better evals = better PMA for advancement = better chance to get at PTS quota.
-From the HPPR held at Corry Station: SLQ-32AV2 & SLQ-32BV2 courses will be combined and 1702 and 1733 will become one NEC. CYBERFOR/CID/Millington working the details. F school revisions in the works too.
